ASSA Solenoid locks to be discontinued.

Dear Customer,

due to decreasing volumes the last two years and a large product range to maintain we have reached a point where the profitability of ASSA Solenoid handle locks is too low.

Because of this we will discontinue the sales of these locks as per December 31st 2009.

All versions can be replaced by combinations of ASSA modular or connect mechanical lockcases and ASSA/ Solid electric strikes. Contact your ASSA representative for guidance.

Orders for the above mentioned products will be acknowledged up until 2009-12-31. Deliveries will be effected latest 2010-06-30.

ASSA will maintain service or offer replacement products for 5 years (2015-12-31).

* Sets and lock cases of 880-50, 880-70, 881-50, 881-70, 884-50, 884-70, 885-50, 885-70, 886-50, 886-70.
